

VENUE COLLECTION

VCR-33 PERF SS, VCT-33 PERF SS, VCC-33 PERF SS

The Venue Collection features laser cut graphics denoting waste stream - unlike other units that use decals.

With color coordinated lids and liners, these receptacles are sure to make waste stream identification a synch.

SPECIFICATIONS:

- 33-gallon indoor waste, recycling, and compost receptacles
- Constructed of brushed stainless steel with a fully welded design
- Body features contemporary perforated hole pattern
- Flat lid with 8" opening, finished with fingerprint-proof textured powder coat paint
- Security lanyard keeps lid attached to receptacle
- Full, wrap-around rubber gasket on bottom of each receptacle to protect floor surfaces & unit
- Each unit includes an LLDPE liner with lift holes & bag retention notches
- Liners meet UL94 flammability standards
- Contains over 60% recycled materials & is 100% post-consumer recyclable

As a result of our commitment to continuous improvements, occasionally minor changes may be made to our products without advance notice. Such changes are minor and have no effect on the form, fit and function of a product but may result in a minor cosmetic difference. Ex-Cell Kaiser will never mix any products that may have modifications within a single order. Our website will always reflect the most current product image.
