

SOUNDFREQ®

Sound Rise II SFQ-16

The Award Winning Alarm Clock Re-Crafted

Sound Rise II is an ideal bedside alarm clock and wireless speaker to complement a modern lifestyle at your home or in a hotel room. Sound Rise II comes with the award-winning sound quality of our original Sound Rise plus various refreshing new features, bigger display screen and more versatile USB charging options. You can enjoy your favourite songs with balanced audio while lying in bed. The contemporary and upright design with small footprint takes up minimal space leaving ample room on the nightstand.
